AMENDMENT IN RESPONSE TO OFFICE ACTION

Assistant Commissioner for Patents
Washington, D.C. 20231

Post Office Box 7068
Pasadena, CA 91109-7068
December 19, 2002

Commissioner:

In response to the Office action of July 23, 2002, please amend the above-reference application as follows:

In the Claims:

Please amend claims 1, 11 and 12 as follows. Further to our supplemental amendment filed June 7, 2002, and the current amendments pending claims 1 to 8 and 10 to 12 follow.

- 1 1. (Thrice Amended) An electromedical implant capable of exchanging data with
2 an external apparatus, the implant comprising a telemetry device for the exchange of data
3 with the external apparatus and at least two energy storage means, wherein the telemetry
4 device comprises a telemetry transmitter and a telemetry receiver, and wherein the telemetry
5 transmitter is provided with one of the at least two energy storage means for providing energy
6 for the transmission of data, and the telemetry receiver is provided with a separate one of the
7 at least two energy storage means for providing energy for the reception of data .
